Celebrate this day by making a phone call or making a card to let your friends know how they are important to you.

Beach Day

Beach day is all about celebrating your love for the beach! Take a family trip to the beach, and show your love for the ocean by not littering, and keeping the beach clean and safe.

Grandparents Day

September 11th

Grandparents day falls on the first Sunday in September after Labor Day. This day is a time to celebrate all the wonderful grandmas and grandpas in our lives, and everything they do for their children and grandchildren. Honor this special day by encouraging your child to reach out to their grandparents; write a poem, draw a picture, or make a card - they will love anything created by their grandchildren!

MEET OUR FEATURED PARENT

Sara

Medical Assistant

Hello my name is Sara Marca Loza and I am 31 years old. I moved from Argentina to the United States at age 11. I am a nanny/housekeeper and professional organizer. I have also started a new career adventure as a Medical Assistant. It's hard to imagine, but my dream is finally coming true!

I'm forever thankful to BIS Kids and the teachers, Ms JoDee and Miss Annabel, for taking my daughter on board and including her in the wonderful opportunities this organization affords. As you may realize, it is difficult to raise a young lady as a single mom and unfortunately, I can't give as much time as I would like.

The blessing of BIS Kids is that my daughter feels so loved and heard by her BIS Kids group; she can identify with them, talk about her feelings and find understanding in what she is going through. That makes me very happy to see her involved in a group where they encourage her and help her grow and navigate real-life situations. Also, I have heard that she encourages others to do better! BIS Kids has changed my life and my daughter's life! I pray BIS Kids is forever there to help others overcome real-life situations, and help them find solutions and understand their feelings.
